WITHDRAWAL OF MOTION FOR EXTENSION OF TIME

On July 28, 2011, Cellular Properties, Inc, d/b/a Cellular One Of East Central Illinois, requested an extension of time to file its E911 Exclusion Report in the above-captioned proceeding.¹ Specifically, Cellular Properties requested that the Commission extend the filing deadline for Cellular Properties until August 19, 2011.

Based on recent field work conducted by our E911 engineering consulting firm, we understand that we have no exclusions to file at this time. For this reason, we respectfully withdraw from the Commission's consideration our previously-filed Motion for Extension of Time.

Respectfully submitted,
